Where can I find the Event ID for VADC Reporting:

The Event ID is still available on Penelope if required for VADC reporting
(This is also known as the ACSO COATS identifier)

How to - Step by step

1. Click on the service you require, within the **Case**. *(This will open the Service file)*
2. Click the Service event, within the **Service File**. *(This will open the Service event)*
3. The **Event ID**, can be found in the centre of the **Service Event** screen
